Christmas in the Adobes

Step Back in Time at the 41st Annual Christmas in the Adobes

Monterey State Historic Park Association (MSHPA) and California State Parks invite you to experience the magic of early California at the 41st Annual Christmas in the Adobes—Monterey's beloved holiday tradition.

Wander through the heart of historic Monterey on this enchanting evening walking tour, where over a dozen beautifully preserved adobes are aglow with holiday cheer. Candle-lit luminarias light your path as you explore these charming buildings, each one decked in festive décor and brimming with history.

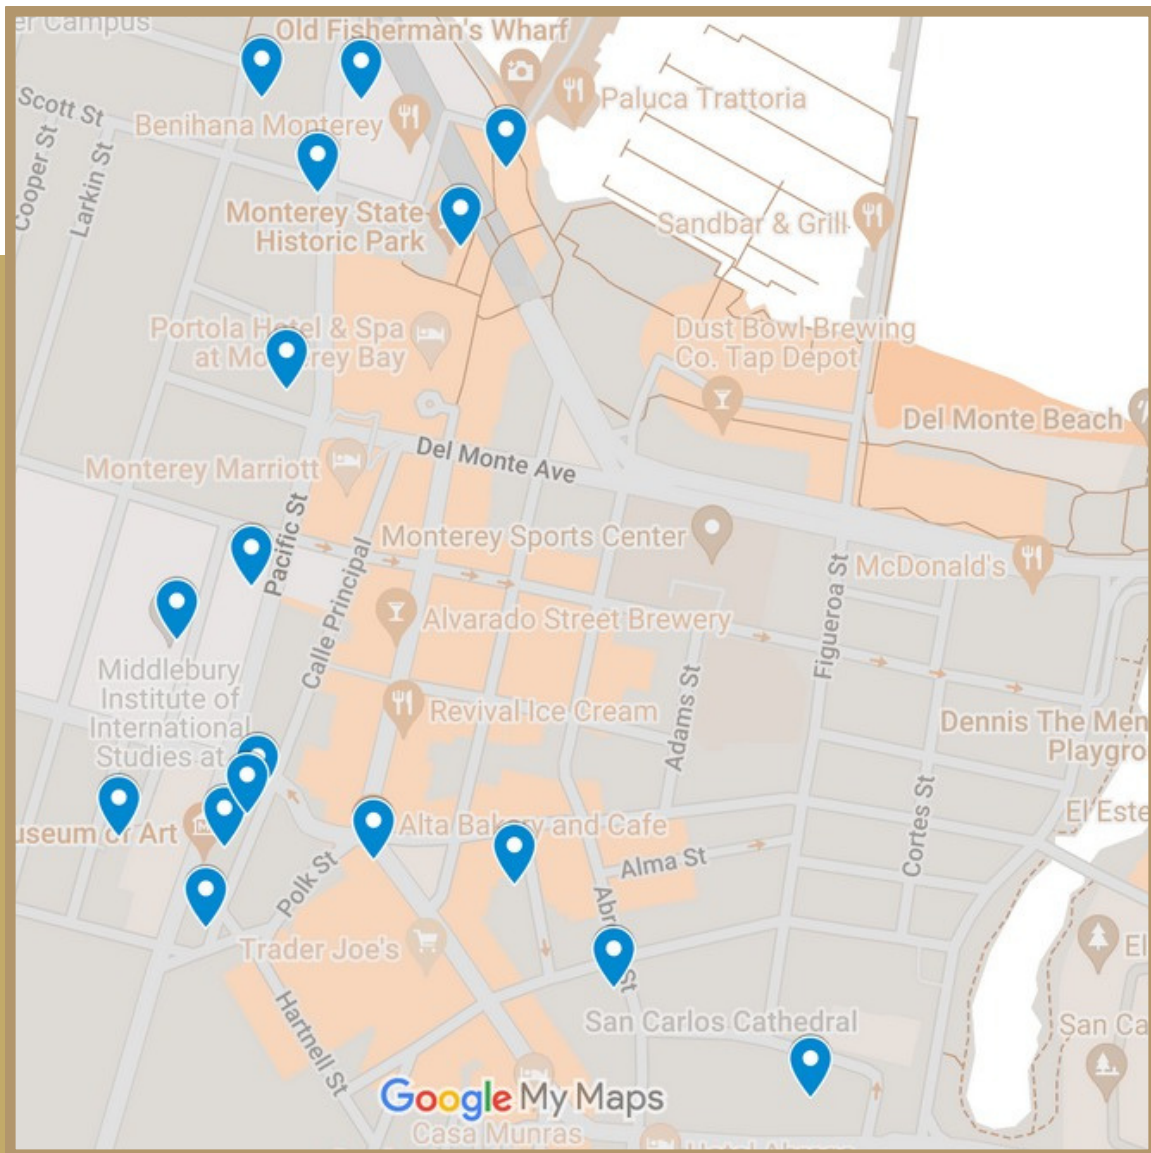

Enjoy live music, period entertainment, and the warm hospitality of hosts in historical costume as you discover the stories behind Monterey's earliest structures. Many of the buildings on the tour are only open to the public during this special event.

More than just a holiday outing, Christmas in the Adobes is a charitable fundraiser that supports MSHPA's educational programs for local elementary students and the ongoing restoration of Monterey's historic First Theatre.

Celebrate the season, connect with community, and create lasting memories at this one-of-a-kind event that brings the spirit of old California to life.
